

CHITA SERVICE TO PEOPLE DURING SAKALA JANULA SAMME

By –Mahesh PASULA

I am very happy to inform you that we have distributed Rice, Dal and Oil packages to all 280 class IV employees in Karimnagar Collectorate and Municipal office today.

Class IV employees are usually attenders, sweepers, security watchmen etc., It was a massive program to help so many families that was appreciated by the entire T-JAC of the agitating employees.

Our contribution may be smaller when compared to their sacrifices but this was very much needed. I could see the sense of gratitude and happiness in their eyes and they have blessed the donors and they were pretty enthusiastic, motivated and have also vowed to continue as long as Telangana is achieved.

Thanks to the sponsors from the team: Venu Challagonda, Sharath Punreddy, Kishan, Srinipalthepe, Ravi Tokala and Sharath Kalvakota. You should be really proud of this achievement because you have made their dasara a little bit easier in this most difficult time.

I feel blessed to have had this opportunity to represent you. Please find some pictures of the event in the link below.

Please provide your support in any which way and if you need help with logistics feel free to reach me.
